

## Georgia Department of Human Services Childcare and Parent Services (CAPS) Published Provider Rate Form

The Childcare and Parent Services (CAPS) program is designed to help low income families afford safe quality childcare. Choosing child care is one of the most important decisions a parent can make. If you need assistance in finding quality child care, please visit All Georgia Kids. All Georgia Kids is an independent agency who assists with finding child care providers based on your criteria. The website is [www.allgakids.org](http://www.allgakids.org).

Please have your provider of choice complete the Provider Only Section of this form fully by your day care provider of choice.

The client is responsible for any charges that are more than the amount the Department of Human Services will pay. The Department of Human Services does not pay for transportation fees, book or extracurricular fees such as field trips or meals (not all inclusive) that may be charged over the provider's rates.
